

Disability Employment Awareness Month Kick-off Event

Event Details

The PDC (Pan Disability Connection), a Collective Impact Initiative led by 11 organizations in Edmonton, working together to identify and eliminate systemic barriers to employment for persons with disabilities. <http://pdconnection.org/> is currently planning the Disability Employment Awareness Month (DEAM) kick-off event. **Disability Employment Awareness Month (DEAM)** is an opportunity for businesses, community, and government to bring increased awareness and employment opportunities for Albertans living with disabilities.

The event will be held at Edmonton City Hall, October 1, 2019 10:30-12:30. We are anticipating media coverage, dignitaries, and over 150 people for this event which will include Keynote speaker, Michael Liber, owner of 2 Dairy Queen franchises, dedicated to diversity and inclusion in the workplace. Other employers will showcase their successful inclusive hiring stories and strategies. Trade show tables hosted by organizations, businesses, and non-profits, who support inclusion and diversity in the workplace, will be displayed and light snacks will be served.
